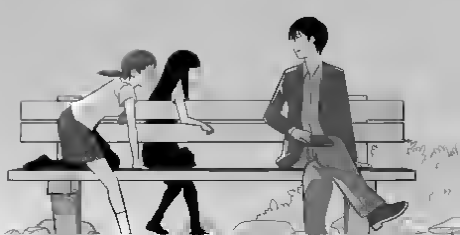
I SEE,

YOU GIRLS ARE RIGHT.

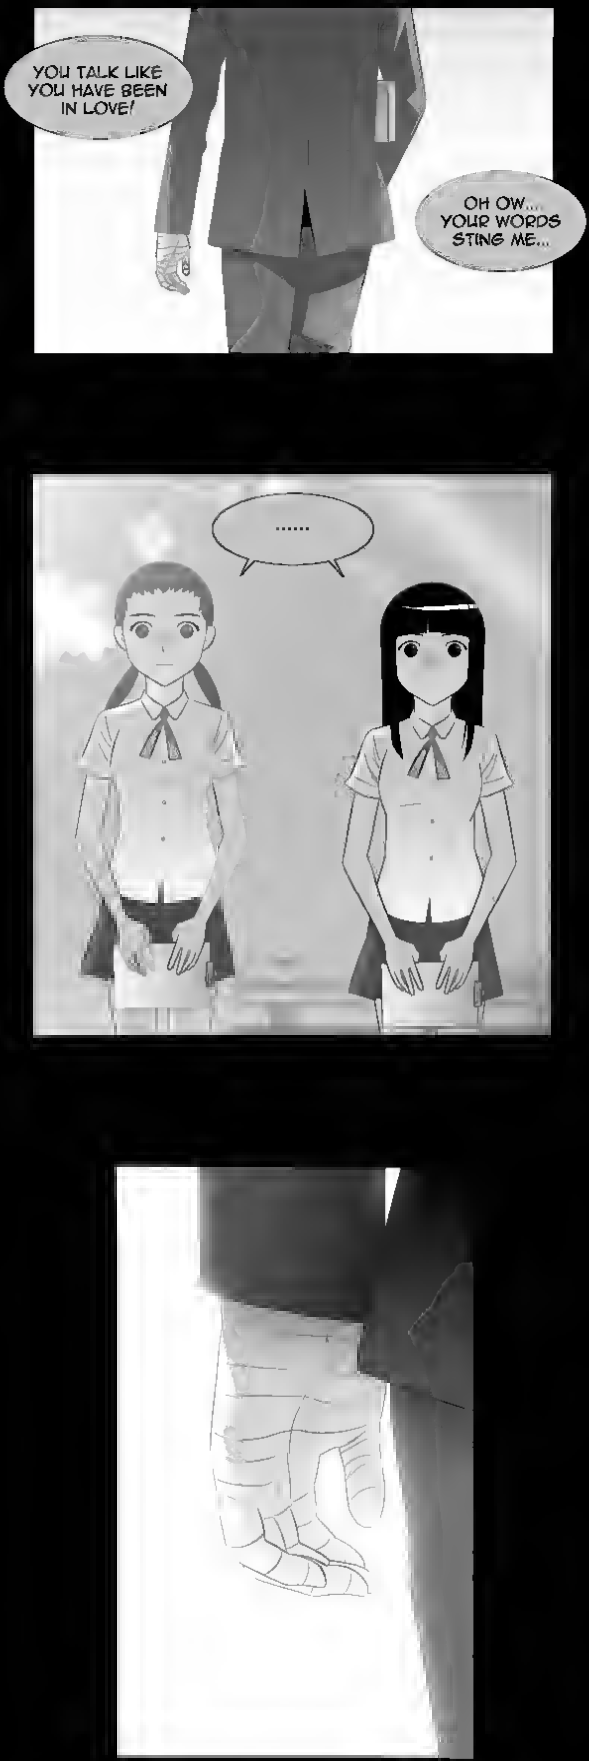
IF THE WORLD WERE FILLED WITH GIRLS LIKE YOU,

THE WHOLE WORLD,

WOULD BE LIKE A MELODRAMATIC NOVEL



EUN HO TEACH...
WHAT'S UP WITH HIM? HE WAS ALWAYS TELLING US OFF.
THAT'S WHY PEOPLE NEED TO FALL IN LOVE



YOU TALK LIKE YOU HAVE BEEN IN LOVE!
OH OW... YOUR WORDS STING ME...

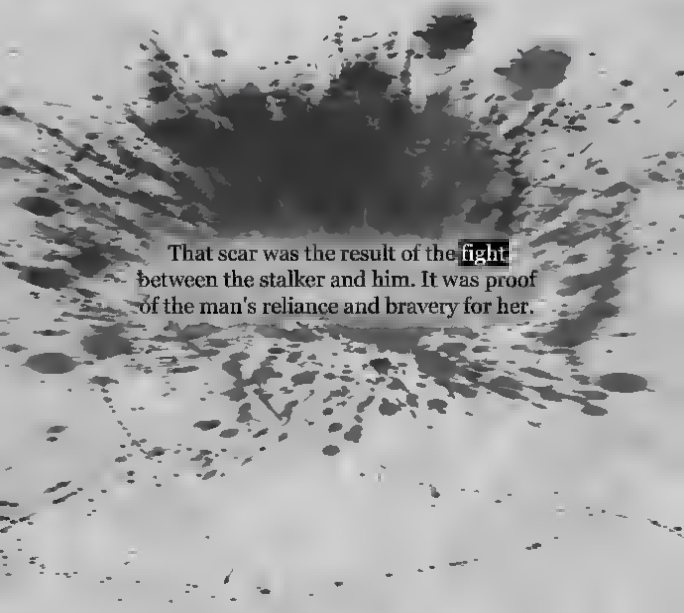
She held his hand.

She held his hand.

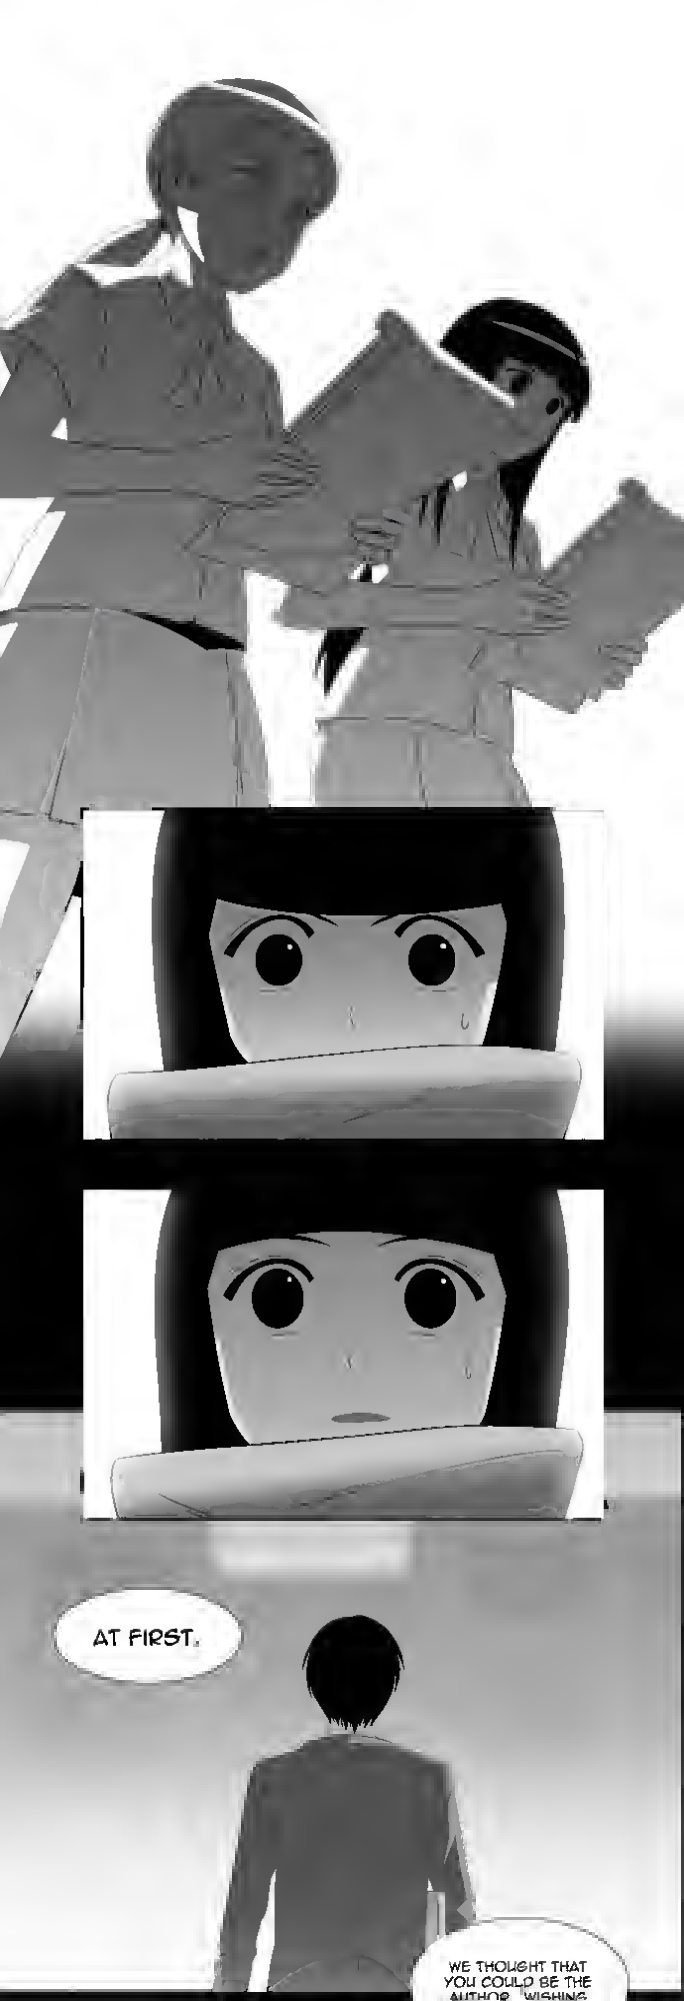
His hand was filled with scratches and tears,
And his wrist was wrapped in a blood soaked cloth.



That scar was the result of the fight between the stalker and him. It was proof of the man's reliance and bravery for her.

She felt his love through his scarred hands and felt her heart beat.

She squeezed his hands. They were warmer today than any other day.



AT FIRST.
WE THOUGHT THAT YOU COULD BE THE

FOR LOVE'.

BUT NO MATTER HOW WE THOUGHT OF IT,

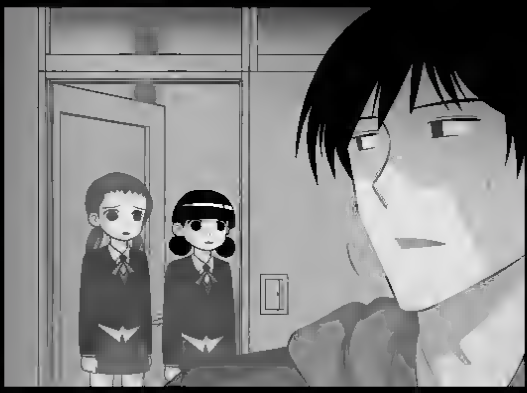
IT WAS A LITTLE TOO FAR-FETCHED TO THINK THAT YOU WERE THE WRITER.

WHY,
DIDN T YOU SAY SOMETHING EARLIER?

.....

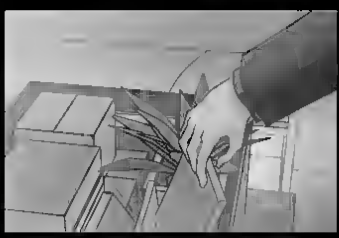
... WE WERE AFRAID.
WE THOUGHT YOU'D ONLY SEE US AS TWO GIRLS THAT COULDN T TELL THE DIFFERENCE BETWEEN REALITY AND FICTION

BUT WE TRIED OUR BEST TO TELL YOU.



WE JUST DIDN'T

HAVE THE CHANCE.



THIS NOVEL IS SCARILY FAMILIAR TO EUN HO'S STORY,
AS IF SOMEONE WAS RECORDING IT.

THERE WERE NO NAMES,
BUT THIS WAS DEFINITELY THE STORY BETWEEN ME AND JI EUN...

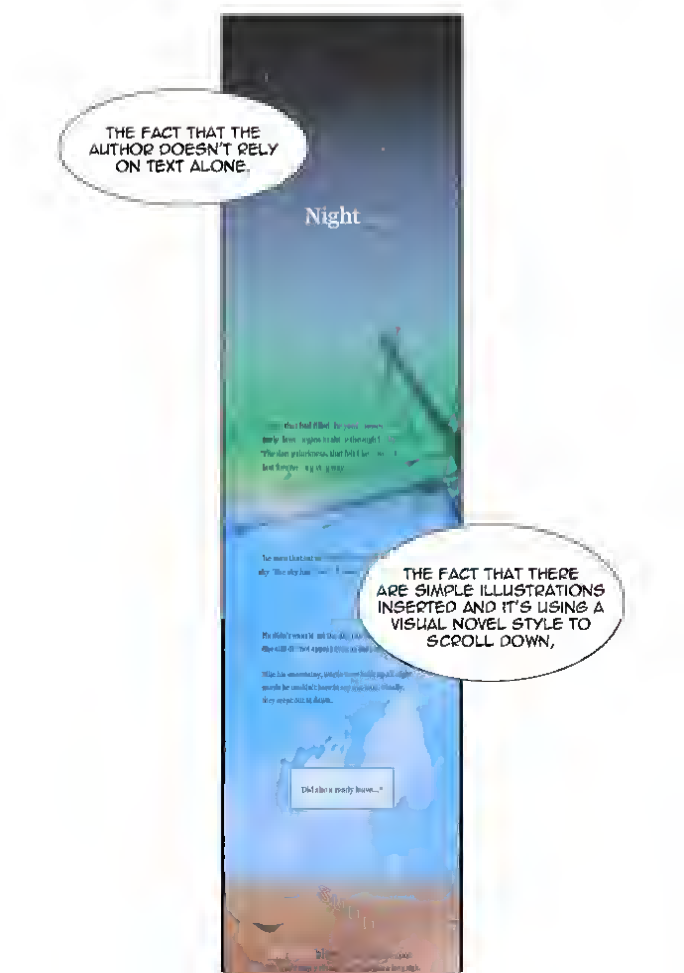
WHO WOULD... WHY WOULD THEY...
TEACH.

THERE ARE TWO WELL-KNOWN STORIES BY 'WISHING FOR LOVE',
'CRUEL LOVE' AND 'LOVE IS WRITTEN WITH TEARS'.

BUT THE AUTHOR HAS TEN DIFFERENT STORIES WRITTEN. THEY'RE JUST NOT AS FAMOUS.
THE STORIES BEFORE 'CRUEL LOVE' WERE ALL HORRIBLE.
Wshn Fr Lv

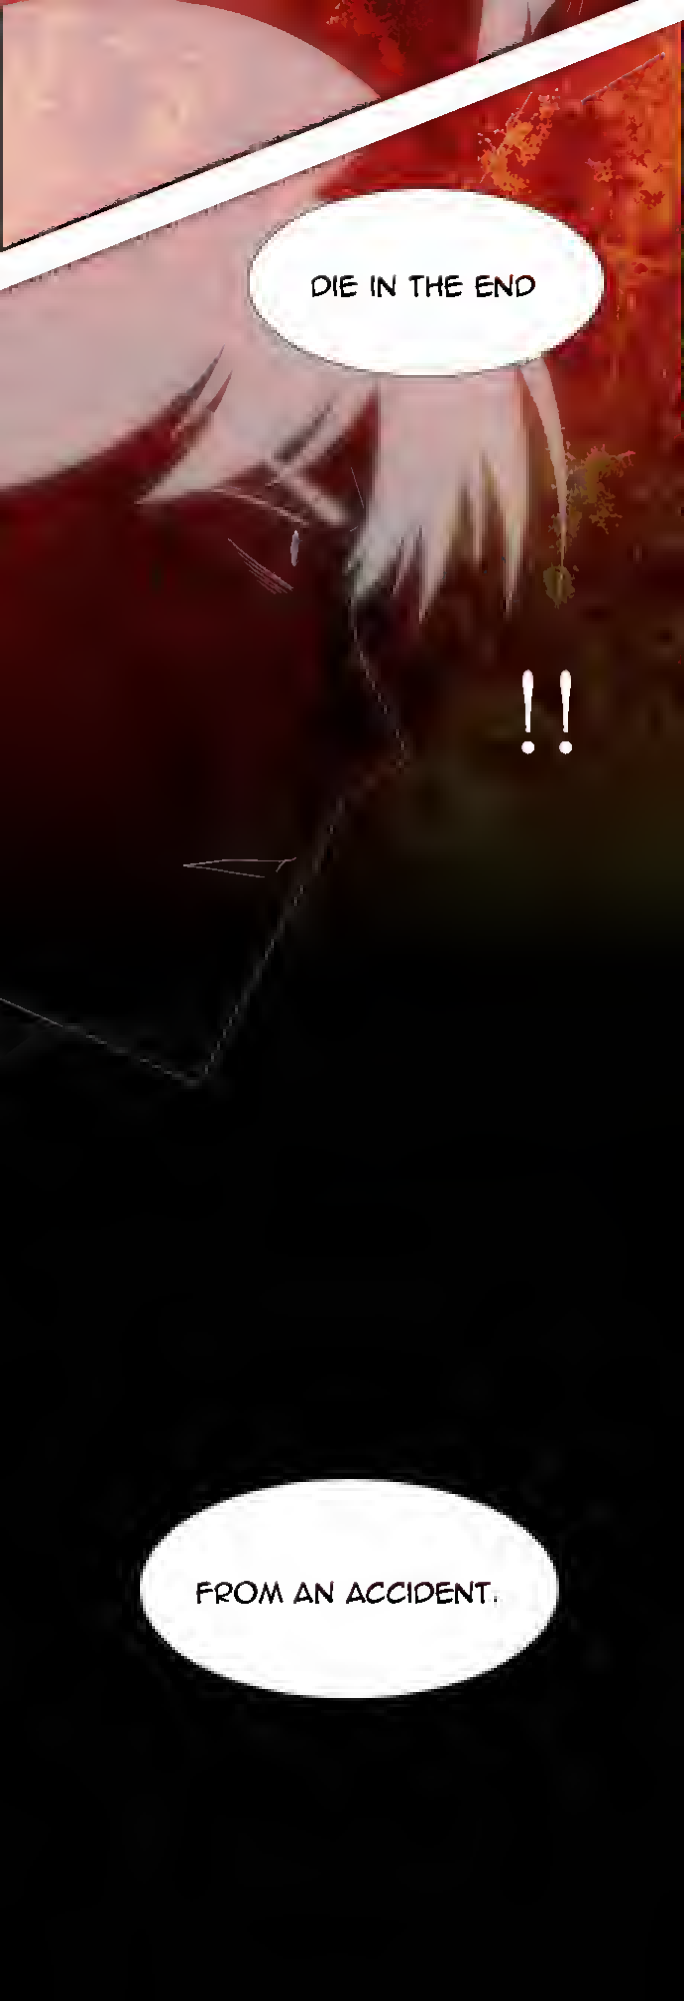
THE STORIES BEFORE HAD NO REALISTIC FEELINGS OR THE SCENES JUST SEEM TOO OUT OF PLACE.
Wshn Fr Lv
BUT FROM 'CRUEL LOVE', THE QUALITY OF THE STORIES CHANGED, AS IF THE PERSON CHANGED

THERE HAVE BEEN THEORIES THAT SAY THE PERSON IS DIFFERENT AND ONLY THE NAME'S THE SAME.
BUT THE WRITING STYLE AND THE DEVELOPMENTS ARE SIMILAR.
SO WE BELIEVE THEY RE THE SAME PERSON AT LEAST.



THE FACT THAT THE AUTHOR DOESN'T RELY ON TEXT ALONE.
Night
THE FACT THAT THERE ARE SIMPLE ILLUSTRATIONS INSERTED AND IT'S USING A VISUAL NOVEL STYLE TO SCROLL DOWN,

IS A PARTICULAR STYLE OF 'WISHING FOR LOVE'.
BUT THE SERIOUS PROBLEM IS,
THE MALE CHARACTER IN THESE STORIES,
ALWAYS, WITHOUT FAIL,



DIE IN THE END
!!
FROM AN ACCIDENT.

I THINK I'LL GET THAT NOVEL TAKEN DOWN.

Sun Ho wanted to be a children's book artist.

And so he sat on a bench and drew everyday.

SUN HO?

홀릭

melo holic

Sun Ho wanted to be a children's book artist.

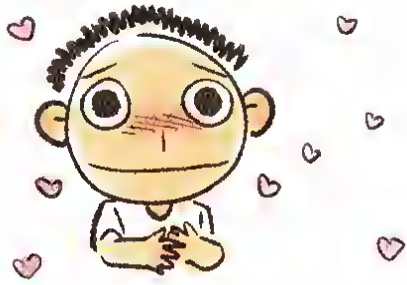
So he sat on a bench everyday

And drew pictures.

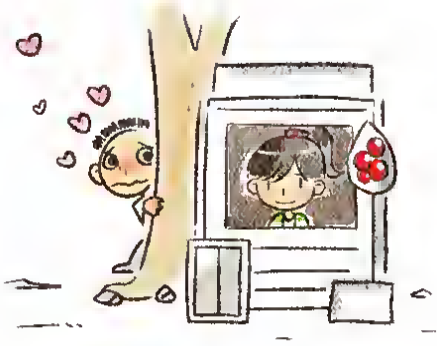
Then one day, she appeared at the park.

She was very beautiful.

Sun Ho fell in love with her at first sight.



But Sun Ho didn't have enough courage to confess to her.



Sun Ho was a very shy man.

Sun Ho went to look at her every day.
You don't need a lot of courage to go and watch someone from afar.

From that day on, Sun Ho's book started to fill with drawings of her rather than of fairy tales.

Days passed... and Sun Ho's heart started to ache more and more each day he looked at her.

Unrefuited love is a very painful thing.

Sun Ho didn't want to eat anymore, and didn't want to draw anymore.

But then a miracle happened.

She came to Sun Ho first. She said she was curious at him being in the same spot every day drawing.

She saw Sun Ho's notebook filled with drawings of herself. She was surprised but she was happy with it and wanted it as a gift.

He was really happy that she liked it. Sun Ho, being shy, didn't openly show his happiness though.

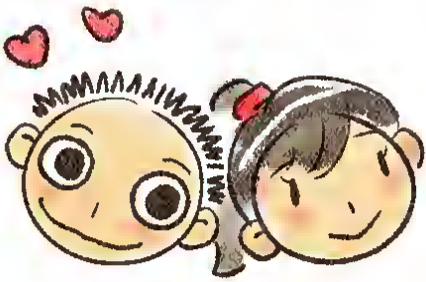
She smiled meekly and gave him a can of coffee from the stand.

Sun Ho brought home the can of coffee and kept it on his desk like a treasure. He also didn't forget 'Her gift' of a written memo.

After that day, Sun Ho came to sit on the bench and drew pictures each day, and she sat next to him and watched him as if she was marvelled by him.

Sun Ho told her that his dream was to be a children's book artist and she told him that she liked books very much. When Sun Ho's book came out, she told him she would have really liked to read his book. At that moment, Sun Ho was the happiest man in the world.

Sun Ho loved her. Did she love Sun Ho too?



Sun Ho couldn't stand not knowing.

Sun Ho couldn't take it any more and took out the biggest risk in his life. He asked her if she would like to see the sunrise on the East Sea.

He tried to calm his heart by taking 5 pills, where he nearly fainted. He even thought of old thoughts, like "If I need to confess, I need to do it at sunrise," Even with all his nervousness, she still accepted his request.

Sun Ho tried to calm his heart by taking a pill every 30 minutes and arrived at Jeong Dong Jin. Sun Ho's plan to confess over the sun rising over the horizon was ruined by the rain and the raincloud s,

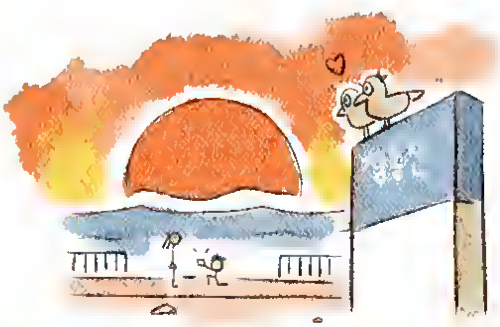
But Sun Ho gained the world's most beautiful lover that dark, early morning.

Sun Ho was happy.

And,

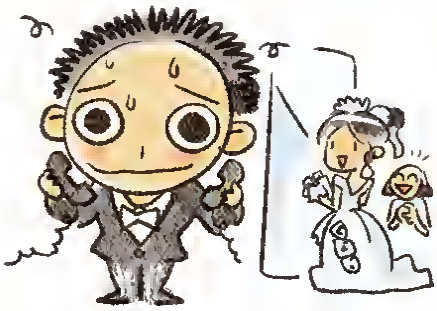
Ji Eun was happy too.

The two spent a very happy year together.
And the next year, on the same day,



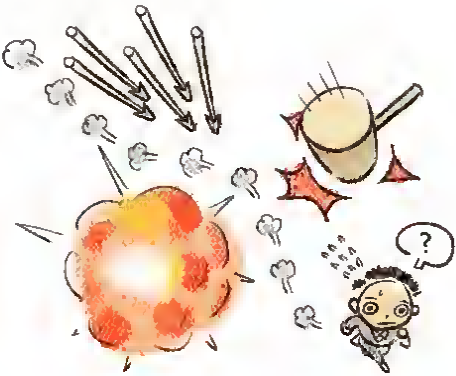
to celebrate their one-year anniversary,
they went to Jeong Dong Jin again and Sun Ho
managed to propose to Ji Eun under the sunrise.

The marriage preparations were chaos. He called his friends that he hadn't talked to for ages, found a place to live, and had to fit his clothes.



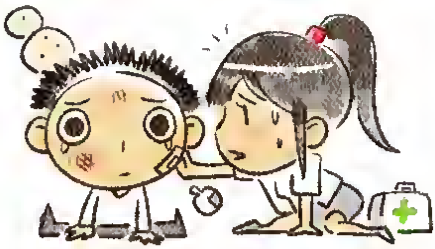
This needed to be done, that needed to be done, and the things that he needed to do were endless.

Sun Ho, being busy, had accidents.



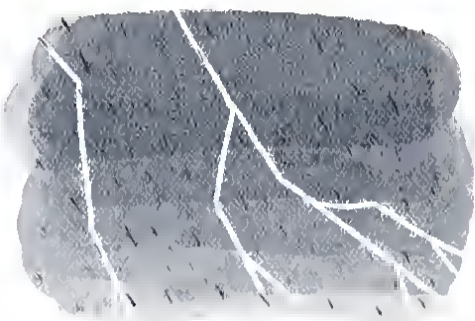
There was an accident with the gas but he survived due to luck, and his car broke down suddenly, but he also had good luck.

Each time, Ji Eun came to see him concerned and Sun Ho thought to himself that he needed to be more careful.



He has Ji Eun to protect from now on so his body is not just his own.

It was a night where it rained a lot.

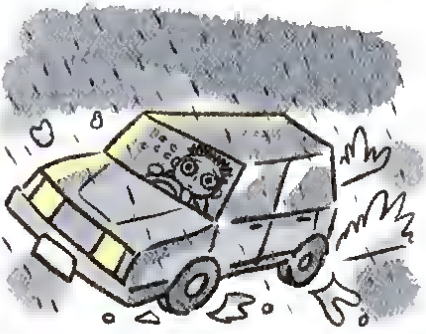


There was so much rain that he was almost worried that a hole had been punctured in the sky.

Sun Ho was worrying that the monsoon season might stay during the marriage ceremony, when he got a call from Ji Eun.

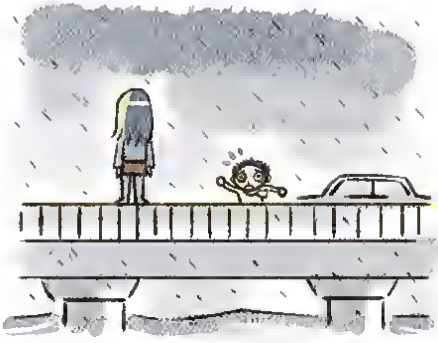
She says it's urgent. She says to hurry.

Ji Eun's black knight Sun Ho ran out to her. He drives as fast as he can but he sticks to the speed limit given by the traffic laws.



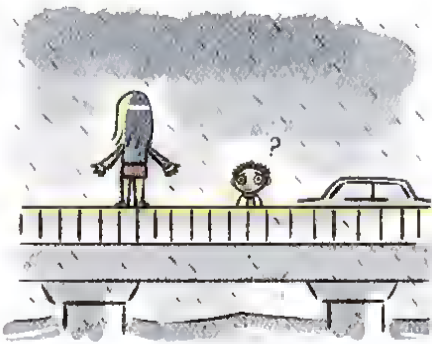
Sun Ho is a timid black knight, after all.

Ji Eun is standing on the ledge of a bridge. Sun Ho gets out quickly.



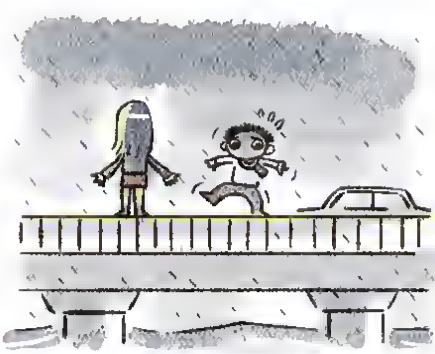
They say that the depression that sets in before marriage is dangerous.

Sun Ho tries to convince Ji Eun.
He says not to do this.



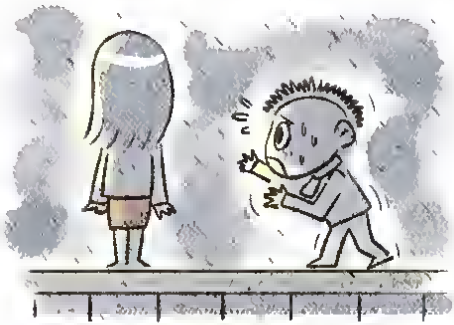
But Ji Eun keeps asking Sun Ho to come up to the ledge. That way, she will come down.

Sun Ho was afraid but he climbs up to try to convince her. Ji Eun waves him, shaking from side to side, to come closer.



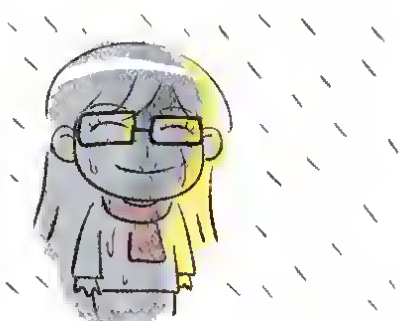
Sun Ho carefully crept closer to Ji Eun.

Sun Ho was finally next to Ji Eun and begged her to come down.



Ji Eun nodded and said okay. And she was cheering at Sun Ho for being so brave to come up there. Sun Ho could finally relax a little.

But Ji Eun was wearing glasses for the first time?



Even then,
Sun Ho thought that glasses suit Ji Eun.

Huh?

Ji Eun accidentally pushed Sun Ho off the bridge.

Sun Ho was surprised and managed to grab onto the ledge, but he would surely fall into the river if his arm were to lose strength.

Sun Ho had no idea how to swim.

He knew that it wasn't going to end with a dangerous scare. Sun Ho reached out to Ji Eun for help.

But Ji Eun didn't help him and instead told him to hurry up and fall. She says that's the only way she could finish.

Sun Ho didn't understand. What she said, or even this situation where she didn't seem to push him off by accident, Sun Ho didn't understand anything.

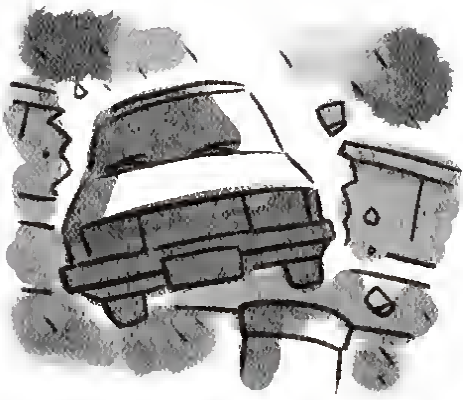
Ji Eun decides to help
the slow understanding Sun Ho.

She rummaged around
and pulled out a small knife.

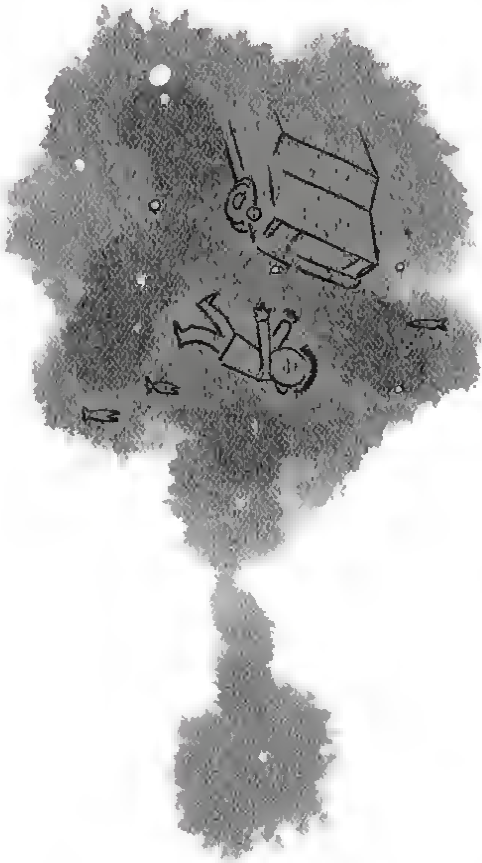
The last thing Sun Ho could remember that night is of Ji Eun in glasses waving that knife around.

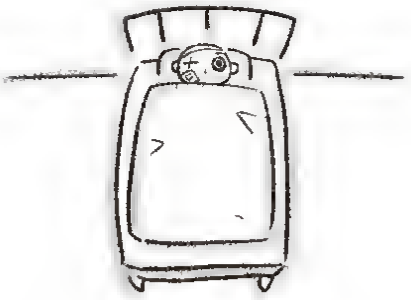
Sun Ho fell to the river below.

Soon after, Sun Ho's car fell as well,

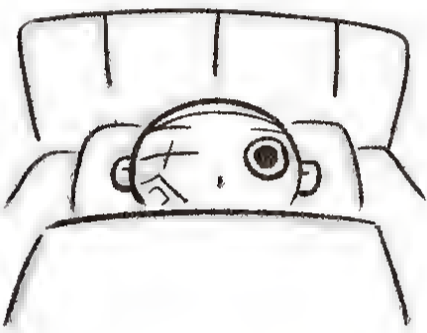


But that's not important. Cars he can buy again, but Sun Ho's life is irreplaceable.





Not knowing how much time has passed, Sun Ho couldn't understand that he was still alive when he opened his eyes at some hospital.



Sun Ho's doctor said that he was lucky.
He was saved from dangerous situations multiple times so he was a really lucky person.

Sun Ho didn't lose his life because he was lucky.

He felt pain in his chest that hurt greater than death.

Sun Ho was hurt.

He was hurt and hurt and hurt.

But even though it hurt...
Sun Ho still thought of Ji Eun.

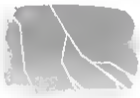
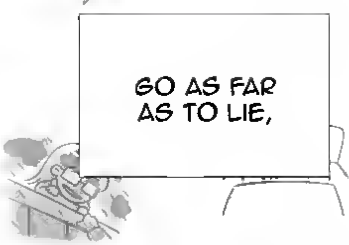
WAS THE CONFESSION
YOU GAVE TO THE POLICE
ALL LIES?

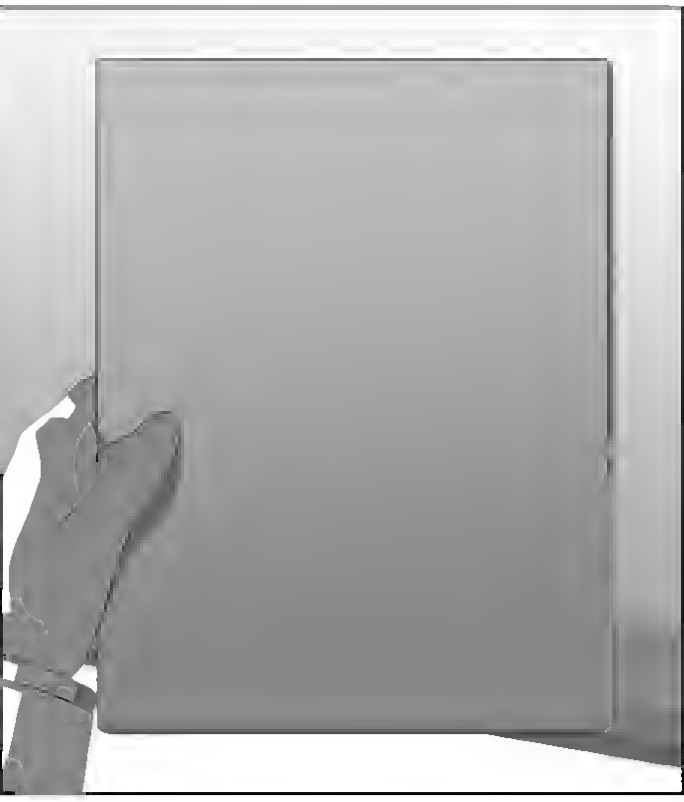


THEN, WHY....



GO AS FAR
AS TO LIE,

TO PROTECT
JI EUN?



멜로 홀릭:

melo holic

Why did Ji Eun do that?

Did Sun Ho do something wrong? Was Ji Eun angry at him because of that? Of course, there aren't many radical people that would throw your lover off a bridge because you were angry,

But even so, Sun Ho tried to understand Ji Eun. Because Sun Ho loved Ji Eun that much.

But Sun Ho couldn't understand reality no matter how hard he tried, and resorted to something simpler. He denied reality. What if this all was a nightmare?

Sun Ho was just in an accident, and when he was knocked out, he must have had a nightmare.

Denying reality was effective. He finally thought he understood everything.

That's right. There's no way Sun Ho's love, Ji Eun, would do that. Sun Ho was happy with his conclusion.

One day, the doctor came to see Sun Ho.

The doctor seemed apologetic and talked about Sun Ho's eye. The doctor says that Sun Ho won't be able to see out of his right eye ever again.

Sun Ho touched his right eye when the doctor had finished. Sun Ho knew that he couldn't open his right eye for a while

But once the doctor told him that, he thought that this accident must have been a big accident.

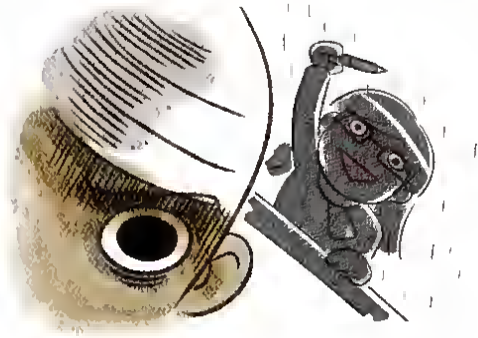
Sun Ho told the doctor he was okay. Even though he only has the left eye, he can still see Ji Eun.

Sun Ho thought that was enough. But the doctor kept explaining.

Sun Ho should have stopped listening. But the doctor told him. Sun Ho's right eye was cut with something sharp, like a knife, and the wound was very deep.

There was contamination in the wound so there was nothing he could do.

Cra-caak!
A clap of thunder sounded in Sun Ho's mind.



Sun Ho felt he was back on that rainy night. Sun Ho was scared with the sharp memories that revived.

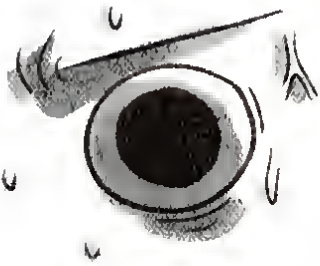
The glasses wearing Ji Eun was as scary as the devil.

Ever since that day, Sun Ho was haunted each night with the devil Ji Eun looking down at him.

After a night with the glasses wearing devil, Sun Ho had no choice but to accept reality

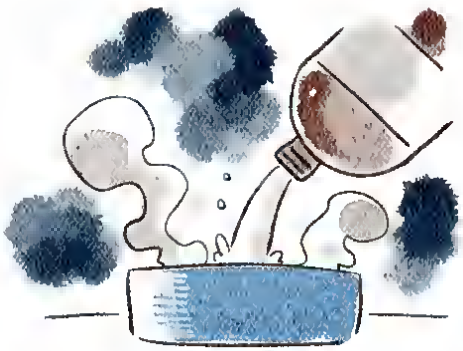
And returned to his original question.

Why did Ji Eun do that?



Sun Ho decided to take revenge on Ji Eun.

The day he decided on revenge,

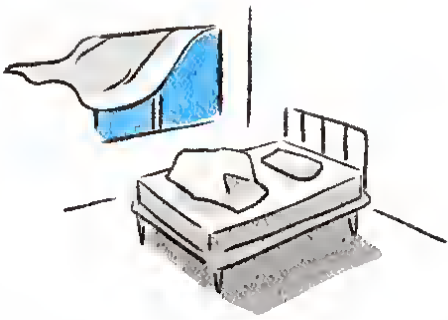


He poured strong acid that he stole from the medicine room.

Sun Ho could withstand it.

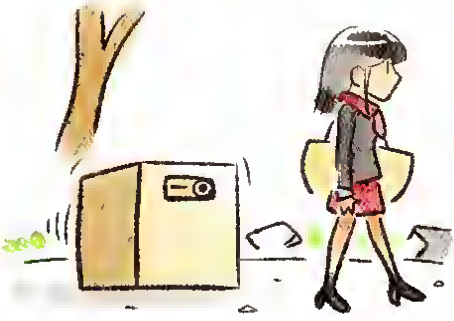
The pain he felt in his heart was a hundred times more painful than the pain he felt in his hands.

After that day,



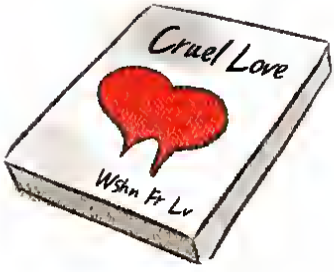
Sun Ho could not be seen at the hospital.

Sun Ho snuck around and investigated a lot of things about Ji Eun,



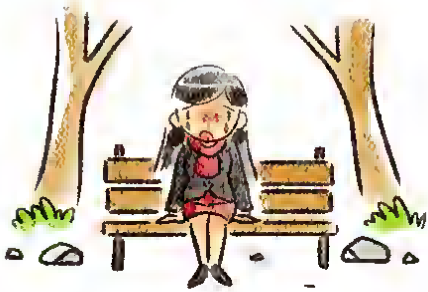
Like a stalker.

And he found a novel.



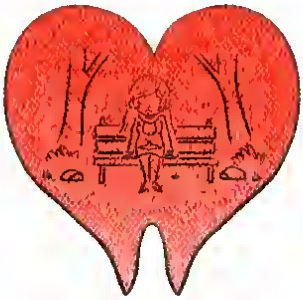
Cruel Love.

In that novel, it had all the memories Sun Ho held dear, about Sun Ho and Ji Eun's love.



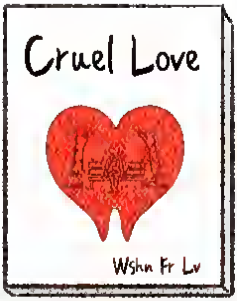
The real Ji Eun was crying on the bench that Sun Ho used to draw on like the female protagonist in the novel had lost her lover had.

Sun Ho understood everything then.



The Ji Eun he knew only loved him inside the melo(dramatic) novel.

Ji Eun was a vicious

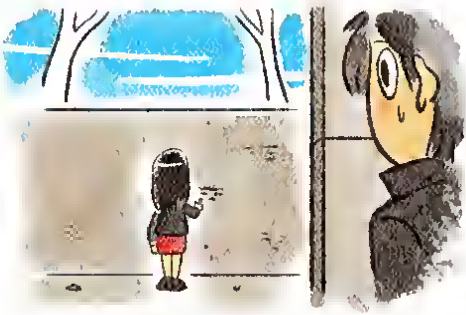


Melo holic (addict).

Then did Sun Ho lose everything because of her fake love?

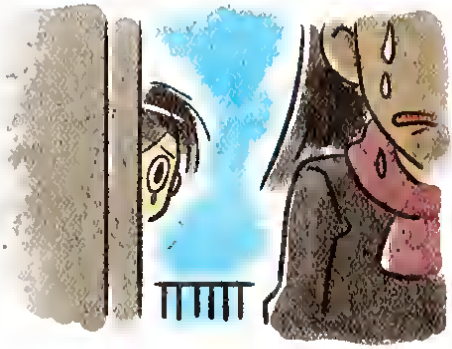
Sun Ho didn't think so.

On the day Sun Ho and Ji Eun became lovers, and the day when he confessed to her, June 27th,



On that day, he saw Ji Eun come to Jeong Dong Jin and continuously miss Sun Ho,

And realised that even though it was just a love in the novel, that love was real.



He also found that he still loved her.

What is the most suitable ending for a meloholic Ji Eun and a Sun Ho who still loves her?

Sun Ho thought of two novels that he read a long time ago.

The first is the one he read when he was young, *Romeo and Juliet*, and the second one was something he read in college, *Lovers of the Thumb*.

※*Lovers of the Thumb* is a romance about two lovers who communicate with texting

Both of these works had a similar end.

For Sun Ho who held both love and hatred, it was the perfect ending.

Excited, Sun Ho went to find Ji Eun.

But there's some other man sitting next to her.

A language teacher named Yoo Eun Ho suddenly appeared in front of Ji Eun and now sits in Sun Ho's bench. That's my seat! Sun Ho was angry.

But Ji Eun harshly refused Yoo Eun Ho.

Sun Ho thought the whole song proposal was very corny. You need to at least confess at a sunrise together, right?

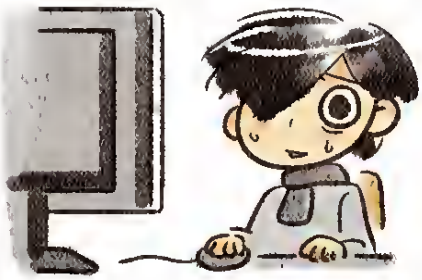
But Yoo Eun Ho really appeared at Jeong Dong Jin. And Ji Eun accepted Yoo Eun Ho's confession this time.

He thinks that the dead Sun Ho connected the two together, but that's not true. For one thing, Sun Ho isn't dead, and second, he has no intention of connecting the two.

Sun Ho was afraid that he would lose Ji Eun.

Does Ji Eun not love Sun Ho any more?

To answer his question, there was a new story that started on Ji Eun's blog, 'Love is Written with Tears'.



Sun Ho knew that Ji Eun was trying to love Yoo Eun Ho. Sun Ho had no time to waste.

Sun Ho threw water balloons

And cut out his face in photographs to warn Yoo Eun Ho.

But the evil Yoo Eun Ho came and trespassed into Sun Ho's home and caused a ruckus.

Sun Ho had to give away his home because of that.

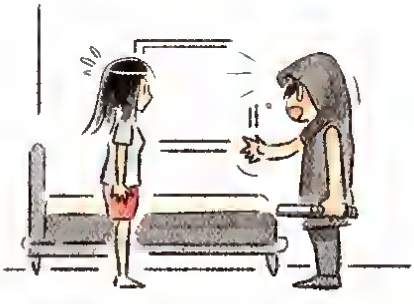
If Yoo Eun Ho discovered all the evidence Sun Ho had collected, then Yoo Eun Ho would know too much about Ji Eun,

And Yoo Eun Ho would evilly hand her over to the police. He had no idea what Ji Eun's love was... Sun Ho had to stop that.

So Sun Ho attacked Yoo Eun Ho who was an interference.

And Sun Ho locked Yoo Eun Ho in his own room. It was quite a step up from the timid Sun Ho of before. I guess the power of love is amazing.

Sun Ho met Ji Eun. Ji Eun was surprised to see Sun Ho who she thought was dead.



But then she showed her calm side.

The calm Ji Eun didn't wear her glasses

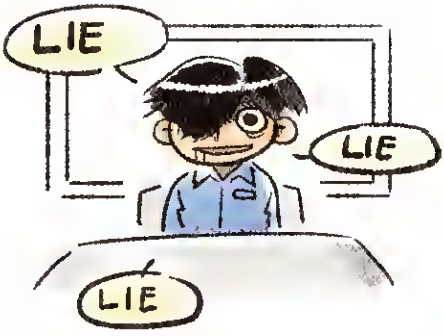
But felt the same as the 'bad' Ji Eun on the bridge before. Sun Ho was afraid but tried hard to persuade Ji Eun.

But Ji Eun didn't reply to Sun Ho's persuasion and lost consciousness.

Then, the evil Yoo Eun Ho appeared.

The 'bad' Ji Eun hid because Yoo Eun Ho had shown up. Yoo Eun Ho ruined everything. Sun Ho was caught by the police that arrived with Yoo Eun Ho.

At the confession room, Sun Ho lied to protect Ji Eun. They wouldn't understand the truth behind Ji Eun's actions.

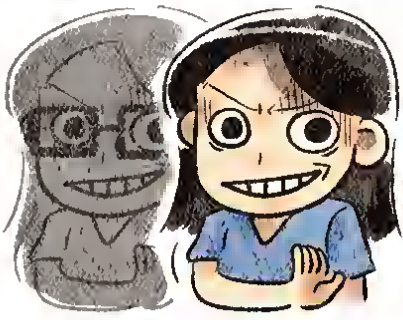


The language disability from the accident was a big help. He had already erased his fingerprints in the strong acid so no one knew who Sun Ho was.

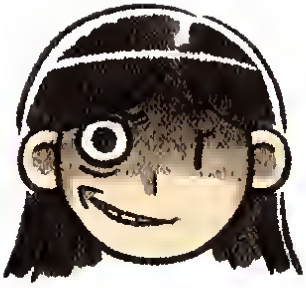
The only one that could recognise Sun Ho was Ji Eun, but she refused to meet him and sided with Sun Ho's lies.

Sun Ho thought that was the reply to his persuasion earlier and was happy.

That was definitely the 'bad' Ji Eun.



Revenge, love.



Could Sun Ho achieve both?

Now, Sun Ho will get out of here and present Ji Eun with a real end to a melo(dramatic)...

Now, Sun Ho will get out of here and present Ji Eun with a real end to a melo(dramatic)...

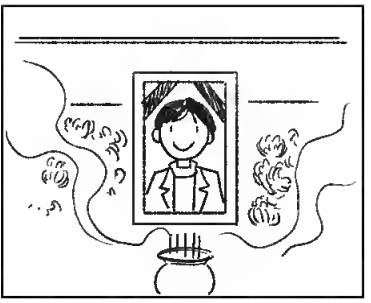
SHHHHHH!!!
TONG-!



Thanks for supporting Meloholic until now.

Why?

How did the
pink-light Meloholic suddenly
become an unfunny four-cut comic?

It's definitely not because the writers
were so baked from the weather that they lost their
minds, or that they were out of rice so they were too
hungry and powerless
to complete the manuscript or anything,
so please don't get angry/worried.

Meloholic,
known and questioned for
changing the subject and being indefinite
in its genre, is almost at the end.

So, as a final check before the finale,
and to prepare for a longer than usual chapter for it,
we've decided to replace this week's chapter
with this special one.

Please think of it as us doing
the best we can for the cleanest finish we can deliver
given that we've come so far, and we hope that you
can understand our reasoning behind it.

Next Tuesday, we will be back
with no excuses and a normal script.

Watch out for heatstrokes
and we will see you next week.

WHAT'S THIS, EUN HO.
SOUNDING AS IF YOU KNOW IT ALL?
THE FACT THAT YOU KEPT COMING BACK AFTER ALL THOSE ACCIDENTS,
I THOUGHT YOU WERE A KIND-HEARTED FOOL.
YOU MAKE THE KIND JI EUN'S LOVE AS YOUR NOVEL.
BUT YOU CAN'T BELIEVE IN LOVE YOURSELF, SO YOU HAVE TO KILL OFF THE MALE LEAD IN EVERY STORY YOU WRITE.

YOU THIRD-RATE NOVELIST.
WISHING FOR LOVE.
THAT'S YOU.

AND SO THE THIRD-RATE WRITER AND CHOO JI EUN ARE?

NOVELIST LIKE THAT?

HAH HA~ WHAT ARE YOU TALKING ABOUT?
I BELIEVE IN LOVE
I BELIEVE IN DESTINY TOO.
I JUST DON'T BELIEVE IN 'HUMANS'

THAT'S WHY I'M A WRITER.
BECAUSE ALTHOUGH PEOPLE CHANGE, BOOKS WON'T
I TAKE ALL THE BEAUTIFUL MOMENTS OF LOVE,
AND I STUFF IT INTO A NOVEL.

I BELIEVE IN DESTINED LOVE TOO,
THAT'S WHY I WRITE ABOUT IT
ISN'T IT OBVIOUS?
BUT MY REALITY IS DIRTY AND CLAMMY
I NEEDED TO TWEAK IT A BIT

THINK ABOUT IT, YOO EUN HO.

THE LOVE BETWEEN CHOO JI EUN AND YOO EUN HO WAS REAL.

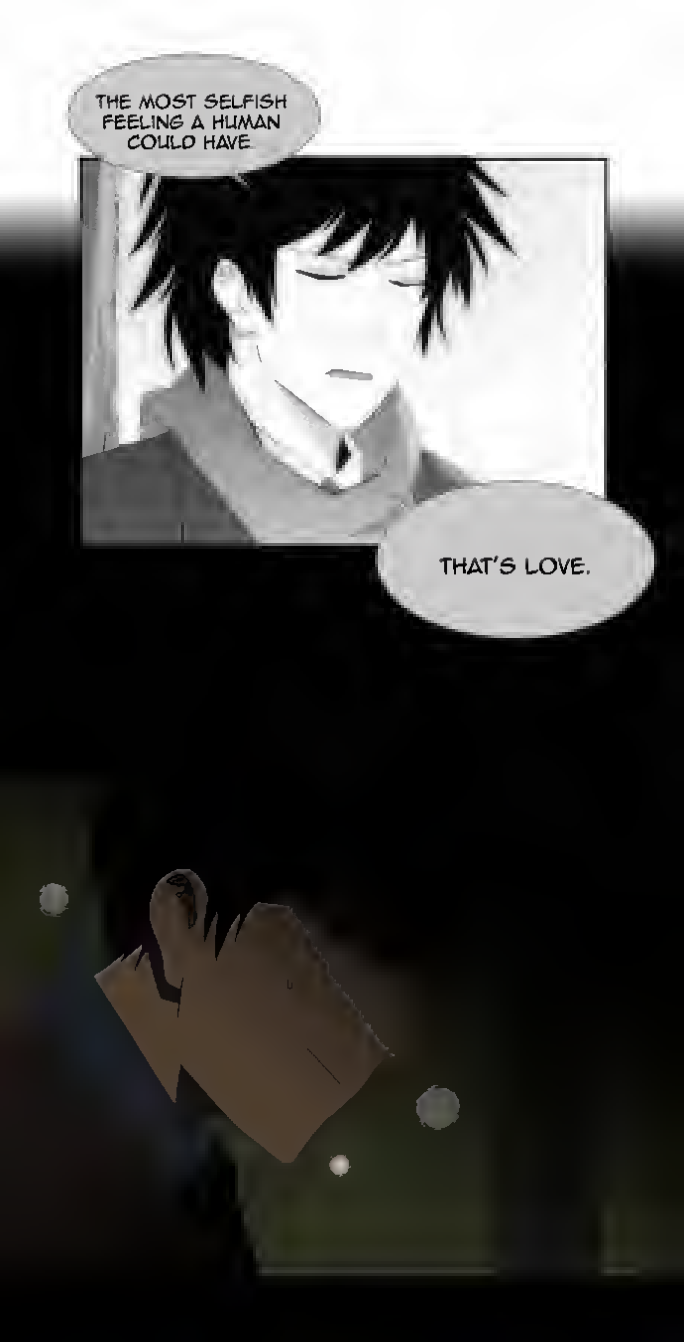
THE PHOTO I PUT IN THERE?

A MAN THAT GOES TO DISCOVER THE ORIGINS OF A PHOTO HE FOUND BY CHANCE.
FINDING TRACES OF HER THERE.
A FATEFUL REUNION.

ISN'T IT ROMANTIC?

THAT'S WHY I CAME OUT AGAIN, TO WRITE THE NEW WORK.

AND SO, YOU DON'T HAVE TO FEEL SORRY ABOUT IT...
SUEUK



THE MOST SELFISH FEELING A HUMAN COULD HAVE
THAT'S LOVE.

THESE KIDS WILL KNOW SOON ENOUGH
A FATEFUL LOVE, IS JUST A STORY IN A NOVEL.

YES, I NEED TO PREPARE FOR TOMORROW'S CLASS...

I'LL BE OFF FIRST. I'LL SEE YOU TOMORROW.

I THINK I KNOW NOW.

WHY I HAD THIS POWER.

I THOUGHT THAT UNTIL NOW, IT WAS A CURSE,

BUT IT WAS A BLESSING.

IN THIS WORLD,

I AM THE ONLY ONE,

DESTINY

DID
EXIST.

NEXT WEEK 'THOSE PEOPLE, THEY...' WILL BE PUBLISHED.

Finishing the work...

It was a difficult project.
But now that it's done, we feel a little sad
and refreshed at the same time.

'Let's get all the tropes that
appear in dramas and make a melodramatic
story that isn't a trope.'

Was the concept Meloholic started with.
We were a little sad (?) that we couldn't put in the
'incurable disease' but we coudn't find the timing.

**#korean drama: Someone (usually love interest or the mother/father/grandmother) who opposes the love will contract an incurable disease that will have the main character have a mement to him/herself thinking whether or not he/she/it s worth it

We finally arrived here after a year and a half.
Thank you for staying with us until now,
And thanks to the fellow artists and writers
who continuously challenged us,
And finally, thanks to our editors in charge on Naver.

Our next work,
will be different from Getname's usual style
of going back and forth and going inbetween layers
and instead will be a straightforward progressing work.
We promise this, and we shall leave you now.

Stay healthy, everyone.
